When It's a Matter of Winning or Losing...

You want to stack the odds in your favor. The tremendous strength and lightweight of Kevlar® fiber mesh can be incorporated into each of our large drag paddles in 1-ply, 2-ply, or 3-ply configurations. The Kevlar® reinforcement provides even more strength, rigidity and durability to get you across the finish line first. All Skat-Trak paddles are recommended for Sand Use Only.
